Dear Senior Class of 2025,

As we embark on your final moments at Barringer High School, I want to take a moment to reflect on the journey ahead of you and the incredible potential that lies within each of you. This year marked a significant milestone in your lives and I encourage you to continue striving for excellence in all that you do.

Your time here at Barringer has been filled with challenges, triumphs and unforgettable memories. Each of you has contributed to our school community in unique ways, leaving a lasting impact on your peers and staff. As you prepare to step into the future, remember that the friendships you have forged and the lessons you have learned will always be a part of you.

As you navigate your future, remember that your dreams are the foundation. It is essential to transform those dreams into tangible goals, and more importantly, to outline actionable steps that will lead you to achieve them. Whether your aspiration lie in higher education, vocational training, or entering the workforce, take the time to plan and pursue your passions with determination and resilience.

In this pursuit, I urge you to remember where you come from. The legacy of the Blue Bears is rich with stories of perseverance, leadership and community impact. It is our goal to continue in the footsteps of those who have walked these hallowed halls before us, making positive changes not only in our own lives but also in the lives of others. Each of you has the power to make a difference, and I encourage you to embrace that responsibility.

I am proud to be your principal and excited to see all that you will accomplish in years to come. Remember to stay true to yourselves and to the values instilled in you during your time here. Carry the spirit of the Blue Bears with you and continue to strive for excellence in all your endeavors. Congratulations, Class of 2025! The world is waiting for your brilliance.

Sincerely,
Principal Pared

Principal Natasha Pared

Justin Mohren
Vice Principal
Guidance, Scheduling, Registration, Testing

To the Class of 2025,

I wish you the best as you begin the next chapter in your life! May you be blessed with great health, lots of laughter and good fortune! I will always miss yelling "Get to Class!" Or hounding you to make sure you completed your FAFSA! Follow some of the nuggets of advice below:

Nothing that is important is easy. Whether it is being a good student, parent, worker, or friend, it takes a lot of time and effort to do a great job. Remember that one day, your children will directly be impacted by your choice to work hard or not. Make good decisions that will benefit yourself in the long run!

What you do over the next five years will determine what you do for the rest of your life! Make the most out of any opportunity that comes to you. Don't be afraid to fail and remember that you have the ability to overcome any obstacle.

Stay focused and come back to Barringer when you become successful so you can mentor the next generation!

Congratulations to the Class of 2025!

I am so proud of each and every one of you! Always remember that Barringer High School will always be your home! I wish you well and good fortune in all of your future endeavors. Stay True Blue!

I leave you with this, "It is good to have and end to journey toward, but it is the journey that matters in the end."

Warmest Wishes,
Shirlynn Lynn Shirland

To the Class of 2025,

I have witnessed you students mature and prepare for the next stage. I am really proud of your accomplishments and wish you all the best luck, especially all of my CTE students.

Congratulations and remember where you came from! It is all about giving back to your community and taking care of your responsibilities!

Class of 2025! As you prepare to graduate, remember that change is a constant in life. Embrace it as an opportunity for growth and learning. Consider how technology has evolved during your high school years, from the rise of new social media platforms to advancements in AI. Reflect on how adapting to these changes has prepared you for future challenges and opportunities.

Your journey through high school has been supported by a community of peers, teachers, and family. As you move forward, continue to value collaboration and teamwork. Think about how group projects and extracurricular activities have taught you the importance of diverse perspectives and working together towards a common goal. These skills will be invaluable in your future endeavors, whether in college, the workforce, or other pursuits.

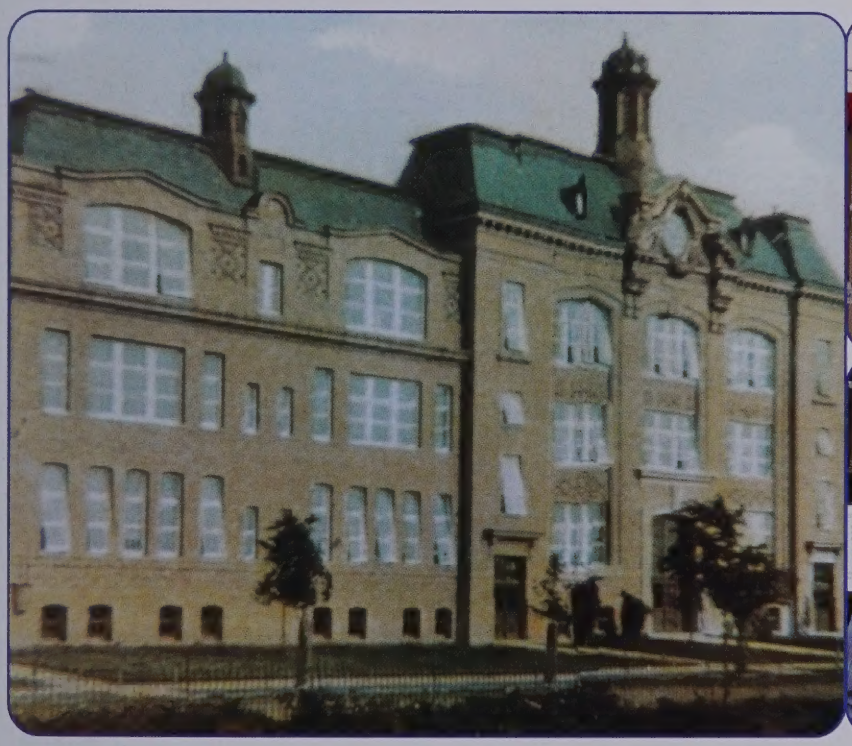
To All Barringer Graduates: Congratulations!
For the past four years you have worked hard to earn your high school diploma. We now invite you to join an organization that is dedicated to continuing the legacy of Barringer High School:

- The BARRINGER ALUMNI ASSOCIATION

Newark High School opened in 1838 and then became Barringer High in 1907.
You graduated from the first public high school in New Jersey and one of the oldest in the U.S.

For more information go to: www.barringeralumni.org
Write to: Barringer Alumni Association P.O. Box 51 Essex Fells, N.J. 07021.
You can also visit us at the Barringer Alumni Heritage Center
room 117 in the school. We are there Thursdays from 11AM to 1PM.

Our phone number is 1(973)481-5415.
We welcome you to our organization!



THE BARRINGER ALUMNI ASSOCIATION

Newark High School opened in 1838 and became Barringer High School in 1907.
Barringer as we know it today opened in 1964.

Alma Mater

So our Alma Mater proud, famed in song and story.
Hide between the sailing clouds, catch the sunset glory.
Barringer High, our name, we raise, long may we grow and prosper.
Through the years, we pledge thee praise, loyal to our Barringer.

Math

Believe in yourself and all that you are. Each of you possesses unique talents and strengths that can help you overcome any challenge you face. Remember that self-doubt is just a hurdle; it can be conquered with perseverance and faith in your abilities. As you move forward, trust in your journey and embrace the power within you to create the future you deserve.

English

On behalf of the English Department, I want to congratulate you on reaching this incredible milestone. Over the past four years, you have explored the power of words—through literature, writing, discussion and reflection. You have grown not only as students but as thinkers, storytellers, and individuals with unique voices.

As you step into the next chapter of your lives, carry with you the stories that shaped you, the questions that challenged you, and the words that inspired you. Whether you write the next great novel, craft a compelling email, or simply listen with empathy, never underestimate the impact of clear thought and sincere expression.

I am so proud of the readers, writers, and people you have become. Keep reading, keep writing, and above all—keep being curious.

Health, Physical Education, and Athletics

As you venture into the next phase of your life, I know you are full of excitement and fear as you approach the next step in your journey. It is easy to look ahead to what is next but take a minute to soak in the now. These are the last days of a chapter that helped shape who you are. Appreciate it. You are going to stumble and you will grow. You'll change your mind. That's not failure--that's life. Give yourself the grace to evolve into the person you are meant to be. Just never forget that you are somebody and that you are going to effect this world in an extremely positive way. Good luck! I wish you all the best!

Health and Physical Education - DC Carlos Garcia Jr.

Hard work beats talent, talent does not beat work hard!

Athletic Director - DC Terence Brogdon

Visual and Performing Arts - DC Emily Burnett

You stand on the brink of a new chapter in your lives, I want to take a moment to reflect on your incredible journey and share some words of wisdom that resonate deeply with this momentous occasion. This is your time to pursue your passions and forge your own path. Remember that the dreams you hold are not just aspirations; they are the blueprints of your future.

You have equipped yourselves with knowledge and skills that will empower you to make a difference. Use this power wisely and strive to create a positive impact in your communities and beyond.

As you embark on your next adventures, seek out what brings you joy and fulfillment. Your happiness will guide you toward true success. As you leave our halls, carry with you the lessons learned, the friendships forged, and the memories created. Embrace the challenges ahead with courage and resilience. We believe in you and cannot wait to see the remarkable things you will accomplish.

Class of 2025, You have shown wisdom and strength in your college and career decisions. I have watched you grow from a young adult with uncertainty in your eyes to mature people who are moving on to attend College, Trade School, Military, or a Career.

I will miss our early morning meetings looking for breakfast and not from the cafe. I will miss trying to figure out how to get money to help seniors. I will miss doing fundraisers in my office to having chocolate fights. Even if you do not know it right now, I can guarantee that you will do great things in the future. Class of 2025 look toward the future and never stop dreaming because our Blue Bear love will never be broken. It is like a notebook the pages will go on forever. I will always be here for you now and in the future.

Despite the day to day frustrations, you all at one point have managed to make me smile or laugh. You have reminded me why I do this job and why I love my Seniors as they are my very own children. You will always have a special place in my heart, so I leave you with my favorite quote: "You will always have Butterfly Dreams that will take you to higher places." Thank you for letting me be your Senior Class Advisor.

With Love,
Mrs. Tammy Davis Merriwether

"Go confidently in the direction of your dreams. Live the life you have imagined."- Henry David Thoreau

As you close this chapter on high school and embark on a new journey toward your future, I want to emphasize the importance of pursuing your aspirations with unwavering determination and self-belief. By embracing the life you have envisioned for yourself, you will unlock the potential for unexpected successes.

Step forward and embody what it means to live with purpose, conviction, and courage. It is normal to feel nervous at times, but remember to act confidently and trust in your abilities. Have faith in yourself, your plans, and the bright future that lies ahead. Your authenticity will resonate with those around you, inspiring them as well.

Lastly, never stop pushing forward until your dreams become your reality. The world is yours, and it is what you make of it. What will you create in this lifetime? What mark will you leave on the world? As Vivian Greene said, "Life isn't about waiting for the storm to pass. It's about learning to dance in the rain."

Congratulations Graduates! It has been a true pleasure to serve as your senior co-advisor this year. I wish you all the best in your future endeavors!

Warm regards,
Ms. Irazema Rivera

The BHS Speech and Debate Team, led by Mr. Sowell, has made some remarkable achievements this school year. The team had semi finalists and finalists this season at Yale University, Bronx High School of Science, St. Joseph's University, and Princeton University.

Just recently, team member, Gabriella Cabrol achieved first place in the category of Program Oral Interpretation. Sophomore Britney Deer won first place in the category of Declamation at the NJSDL State Championship Tournament, becoming the school's only State Champion. Toumaye Siripe (Freshman) qualified for the NCFL National Tournament taking place in Chicago this May.

Two of our team members, Britney Deer (Sophomore) and Edgar Medina (Freshman) will be competing in the Tournament of Champions in Louisville, Kentucky.

Seniors Elijah Battle, Olivia Adu, and Jordan McGhee have also made some incredible accomplishments: Elijah Battle and Olivia Adu became semifinalists in Dramatic Interpretation at Princeton University's annual tournament. Most recently, Jordan McGhee did the unthinkable and qualified for the 94th Annual NSDA National Speech and Debate Tournament, the largest and most prestigious Speech and Debate tournament of the year, taking place in Des Moines, Iowa in June.
